Veteran's memorial fund	440.71

- Scout accounts are up to date except for the Climbers Run trip. If your scout account is negative, please make a deposit with Karen.
- If you would like to see a breakdown of your scout's account, please let Karen know. She can email a link to their individual account.

### **II.Old Business**

- Climbers Run campout with Webelos went very well. Two first year Webelos from Pack 105 went along. Scouts did a service project to clean up around trees with some Millersville University Students and some people from Trout Unlimited. Everyone had a good time at the Buck!
- Grant Beiler does not have any updates on his Eagle Scout Project at this time.

### **III.New Business**

- Scouts will be going backpacking at Peavine Island leaving Saturday October 12<sup>th</sup> and returning Sunday October 13<sup>th</sup>. Short hike in – a little over a mile. Scouts will bring their own lunch for Saturday, and the troop will cook dinner. Scouts should bring their own breakfast for Sunday. There are no bathroom facilities, so scouts should bring their own toilet paper.
- Next week's meeting is at a Machine Shop that Lee has a connection with. They made the plaques for the picnic tables at the Lampeter Fair which turned out very nice.
- There will be a Halloween party on October 29<sup>th</sup>
- There will be a local campout (potentially Camp Horseshoe or Susquehannock) after putting the bags out for the first Saturday of Scouting for Food (Nov 9).
- Becky Anderson volunteered to help Maureen Beiler with the poinsettia sale this year and then she will take over as the chairperson next year.
- There will be leadership changes for Scout Master and Assistant SM next year due to scouts aging out, and Ken is looking for someone to take over the Parent Committee Chair position. The position involves meeting with the scout leaders to plan upcoming events and running the monthly parent committee meeting. It is not difficult or time consuming but requires some organizational skills (if you are a parent of a scout, you have the necessary skills). There is online training that would need to be completed for the position. If you are interested in taking over this role in 2020, please reach out to Ken for more information.
