- If you would like to see a breakdown of your scout's account, please let Karen know. She can email a link to their individual account.
- Tracy Topper will be taking over the Treasurer position from Karen Becker

II.Old Business

- Peavine Island backpacking trip was cancelled - only a few scouts signed up.
- Grant Beiler Eagle Project – Nothing new to report. He will be working on this in the spring.
- Ken Neumann will most likely be taking over as Scout Master for the troop when we recharter. Neal will be stepping down since Grant is aging out and graduating. **The troop will need a new Committee Chairperson for January 2020 or we will not be allowed to recharter as this is a required position.** The position involves meeting with the scout leaders to plan upcoming events and running the monthly parent committee meeting. It is not difficult or time consuming but requires some organizational skills (if you are a parent of a scout, you have the necessary skills). There is online training that would need to be completed for the position. If you are interested in taking over this role in 2020, please reach out to Ken for more information.

III.New Business

- Poinsettia order forms are due back to Maureen Beiler tonight. If you didn't bring it tonight, please get it to her by the end of this week so she can finalize the order.
- Scouting for food bag drop off will be November 9th from 9 to approximately 11 depending on how many scouts are available to help. The troop will camp at Susquehannock afterwards. Webelos from Pack 286 may join. Will possibly have the boys cook by patrol for this trip. The leaders will need to give them a little guidance. Not sure if there is time to get the boys to do the grocery shopping before the trip.
- Leaders need to perform new background checks prior to the Troop recharter. Ken will find out more information.
