- **Old Business**

- Lampeter Y Movie Night - The troop broke even with sales. There is talk that they might do another family movie night. We will sell the old candy. It was a nice way to connect with the community.
- Hersheypark Camping - The scouts had a good time and hung out together. They enjoyed the resort. Scouts made a special dessert, apple mountain pies.

- **New Business**

- Scout Camp

- **Scoutmaster's Report** Ken Neumann

- Next year, we could hold a district dinner where we could be the color guard.
- Round Table meetings occur the first Thursday of each month. Ken will be making a presentation on food allergies. It would be nice to have a representative from the troop at each meeting.

- The trailer needs the following items - a shovel, broom, updated first aid kits, and pop-up tent weights. (Everyone agreed that Ken will buy the items and will be reimbursed by the troop.)
- Summer camp physical forms are due July 5, but no later than July 12.
- The boys will be asked if they want to participate in pizza night at summer camp.
- At camp, the boys can sign up for a service project as an after dinner activity. This idea will be discussed with the scouts. It will help them get service hours.
- August 27 will be a tubing event for the troop. More information to come.
- Ken is going to contact Dr. Murray about making picnic tables for Pequea.
- For the Lampeter Fair, troop information will be updated and placed on business cards that are attached to a carabiner so they can be distributed to help recruit scouts.
- The ambulance visit is on hold due to technology issues.
- The trailer was power washed and reorganized thanks to Ken and Matthew. It was also parked perfectly :)
- The flags for the memorial are back ordered until the end of July. The troop now has keys for the flag poles. Ken will touch base with DeeDee about replacing stolen locks on the flag poles.
