II. Old Business

- Troop fund and scout accounts do not yet include Chicken BBQ profits, COPE, lock in and 3rd quarter dues. Karen will pass out slips to scouts with their updated balance after summer camp
- Boys had a fun time at the lock in and the trip to Mike's Motor Zone
- Brendan Massar completed his Eagle Project in June
- Brandon Prouse attended NYLT at Camp Mack in June

III. New Business

- Summer Camp – July 10-16. 20 Scouts and 5 Adults going. Meet at the church at 10:00am on Sunday (an email will go out to confirm). Will return Saturday around lunchtime. Look through prerequisites as to what they need to have done prior to camp. Boys are getting a list tonight of what to bring (there is also a copy of a packing list on the troop website). Typically boys bring a foot locker. Tents at the campsite have cots. Scouts may bring their own tent if they would like. Boys are required to keep the tent neat. Boys need to wear Class A for traveling to camp (bring a hanger to hang it up during the week). Boys should pack a lunch or bring money to buy lunch on the way. Troop will have in site dining during the week at their camp site. May need a mess kit if doing a night of camping for a merit badge or Dan Beard. Discourage electronic devices/phones (helps with home sickness if they don't talk to parents during the week).

Please let Mike know ASAP if scout is bringing a bike so that there are arrangements to transport them.

- There will be a new order for Class B T-shirts after summer camp for scouts that still need them.
- Mike will give the Scout Store a limited list of people in the troop who are permitted to use the account.
- Grant Kuhn presented his Eagle Scout Project Proposal. He will build 3 new games and refurbish 4-6 games for the Schreiber Rubby Ducky Race and Festival to give back to the organization that has helped him. Grant will work with small groups at his house and at a scout meeting. Cost is around \$700. Will use a GoFundMe page and possibly a sub sale. Has to be completed by August 31 to use at the Festival on September 11. Would like to get some scouts to attend and help run the games on September 11.
- Ryan Fahnestock presented his Eagle Scout Project Proposal. Ryan will be installing a Bocce Ball Court at Martin Meylin Middle School for the students to use during lunch/recess and for physical education. Will be near the Gaga Pit that Jack Drummond installed. Cost is around \$1200. Will use a GoFundMe page and possibly a sub sale. Will be coordinating with Head of Grounds at Lampeter Strasburg. Scouts can help with shoveling and cutting wood. Would like to complete in August.
